AGENTE: **24/7** EL INICIO

A story of the league of Wellbeing

VOL.1

Health and Safety month celebration 2021

The threat

PLANETA CAOS

The arch nemesis of complacency, fatigue, haste, and frustration have come together to create disorder in the workplaces of Progreso.

Finally, we will accomplish our plans

Frustration

Complacency

Fatigue

Nothing will be able to stop us

We must move, the time is coming

Mario, a Progreso's
collaborator is
about to star a new
working shift

Time to go to work

Meanwhile in a place close by to zone #6

This truck ran a red light, I better follow it to prevent an accident

PA:
SE:
P

Dude, stop your truck

Mate, you were driving fast and ran a red light, you could have gotten into an accident

D:
AFORO
IN

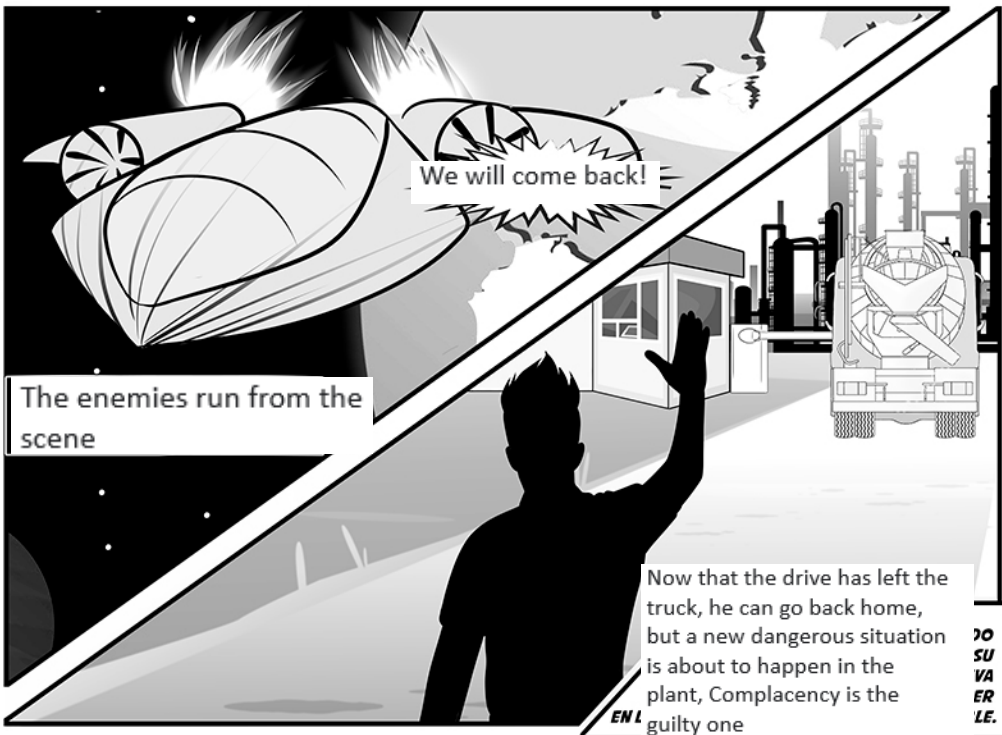

Yes, I know, fatigue beat me

SL

I'm going to drive next to you, so you can get back to the plant safe

Thanks mate

Complacency

We will come back!

The enemies run from the scene

Now that the drive has left the truck, he can go back home, but a new dangerous situation is about to happen in the plant, Complacency is the guilty one
